

Feed the Birds

# ACTS OF KINDNESS

This week we are sharing love and kindness by looking after nature around us with this fun bird feeder to hang in your garden

Feed the Birds

# ACTS OF KINDNESS

## WHAT YOU NEED

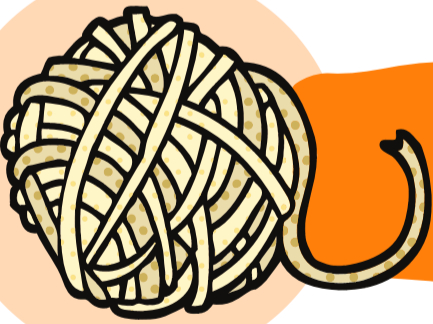

Pinecones

Peanut Butter/ Honey

Bird seeds/ mix of different seeds

Twine/ String

## Step 1

Go for a walk in your neighbourhood or local park and search for a fallen pinecone or piece of bark to use as your bird feeder base

## Step 2

Place your peanut butter or honey into a bowl or dish. Begin to dip or roll your cone/ piece of bark into the honey/ peanut butter to make a sticky base

## Step 3

Pour your bird seed into a separate bowl and now dip your cone/ bark into the bird seed mix

## Step 4

Tie the string/ twine directly to the cone/ bark for hanging

# Step 5

Hang your bird feeder in the garden to attract your feathered friends!
