Saying Thank You Part 2

ACTS OF KINDNESS

This week we will continue with last weeks task and create a beautiful letter for a loved one using our pressed flowers. This could be for a teacher, friend or family member.

Saying Thank You Part 2

ACTS OF KINDNESS

Step 1

Time to check how our flowers have done. You may need to use a pair of tweezers to peel the dried flower from the paper

Step 2

Decide who you would like to send a letter to this week. This could be a teacher, mom, dad, siblings, a friend or a family member.

Step 3

Time to practice our ABC's.
Depending on the age of your child, they may need some help in getting their messge across.
We can write to say thank you for something or to simply share your love with this person.

Step 4

Let's get creative!! Time to decorate your letters.
Place some white glue on a plate/ board and use a tooth pick to place some glue on the back of your flower pressings.

Step 5

Place your flowers (with glue applied) gently on your card and press down with a piece of paper so that it sticks to your card.

Step 6

Add any finishing touches to your card, glitter, hand drawn pictures, decorations; you could even give it a light spray of some perfume to leave a scent.

Step 7

Now for the best part!
Time to give or send our letter to our loved one.
